What does this mean for SolBridge University students?

SolBridge will host its official local challenge to select the student team that will represent us on the global stage at the Babson Collaborative Global Student Challenge.

Turn Your Idea Into a Global Opportunity!

Have an idea that could make a difference? This is your chance to take it to the world!

Through a new partnership between the Babson Collaborative and the Hult Prize Foundation, teams selected as Babson Collaborative Global Student Challenge semi-finalists will have the opportunity to advance directly to the national competition of the EF Hult Prize 2027.
